Agenda Item: Trooper crash
Discussion: Vince C asked Jim Flegel answered Mfgtr representative to speak. Communications officer? Dr. Lee states ABS will increase stopping distance 20 to 40%. Defective equipment (tires/handlebars) and crash scene investigation are becoming a greater concern. Recalls on motorcycle and tires. Dan P- How do these kinds of systems act and apply on the road for avg riders. And how do we get that information to riders. VC-2015 all larger mc have ABS standard. DLI- stopping distance impacted by tire soft/hard. Jr- abate efforts bumper sticker
Action: none? Mfgtr representative to speak. Communications officer. Recalls on motorcycle and tires. Request Bosch host May Action Team mtg? Local Hog Chapter events? Helmet and equipment research and options. List of venues for skill demos.

Agenda Item: HB 4853
Discussion: ABATE -encourages MDOS to pursue promulgated rules process to incorporate nhtsa and oga recommendations. Blvs all proposed will pass. Chad, why are we offering ARC. Vc-RC recruiting tool. DP why are we funding riders that already skilled? Funding is needed badly
Action: 53

Agenda Item: NHTSA assessment is highly recommending MI have one.
Discussion:
Action: Send out SMSA state self-assessment document. NHTSA guideline No; 3

Agenda Item: why
